Every one of us has memorable destinations along our journeys through life. As VET FGC alumni, we are united by the coordinates of VET — better known as VET FGC ALUMNI ASSOCIATION.

Although we may have journeyed far from these coordinates, they are part of our personal stories. Our VET experiences have shaped who we have become and made us better family members, better colleagues, better neighbors, and better alumni.

I am humbled to serve as the President of VET FGC Alumni Association for the next few years. On behalf of the Alumni Association's Board of Directors and as President of the Alumni Association, I welcome you to our community!

One of our goals is to preserve a mutually beneficial, enduring relationship among alums and with the college. As your representatives, we are constantly seeking meaningful ways to embrace your needs and unite our efforts in the name of VET First Grade College.

I urge you to become active alum and share in the exciting activities and opportunities this organization has to offer. There are a variety of ways you can show appreciation and play a part in Central's continued success. This includes attending events, cheering for our teams, staying connected to each other and the college, and of course, offering your time and gifts to help VET students. Through this platform you can get involved with the Alumni Association, read about inspiring alumni accomplishments, find out about upcoming alumni activities, and learn about on-campus events, volunteer and much more.

Wherever you are, at whatever stage of life you are in, there's something here for you. The Board of Directors and I encourage you to share and use this platform as one way to engage with the Alumni Association and maintain your personal connection to the college.

Firstly, we can contribute to our alumni committee through our expertise and experience. Secondly, we can connect with each other and think of how we can give back to our community.

Besides these, industry-institute interactions like internships, seminars, lectures and other initiatives would help the student community gain exposure and build successful careers.

I would be looking forward to your suggestions to make our community vibrant, informative and highly interactive.
