ABOUT VET

VET TRUST [Vasavi Educational Trust] came into existence under the dynamic leadership of B.V. Rathnaiah Setty, the Founder President of the Trust in the year 1979. His visionary, innovative and progressive ideals motivated like-minded people from various fields to join hands with him to put forward to provide quality education. The goal of VET is to provide quality education and enrichment of our cultural heritage, to the students from all walks of life.

B.Sc-FAD is a flagship course of VET First Grade College which combines the art of designing and fashion with the science of textiles.

MISSION

B.Sc-FAD aims at making the students to be successful once they graduate and enter the field, to bring out their creativity and skills, to be focused and grow in their knowledge day by day, to mould them as fashion professionals and entrepreneurs for fashion industry.

Message From Principal's Desk

fashion industry. The department has made its mark in academic, sports and cultural fields. I feel proud of its alumni who are holding responsible positions in the society. It is a matter of pride that the college has been granted B+ Grade in NAAC Accreditation in 2019. This could be possible with the hard work done by the college staff and students under the guidance of visionary management.

I appreciate the enthusiastic and cheerful team of fashion technology headed by Mrs. Bharathi.P.S to progress in cultural, sports & academic activities, especially in bagging ranks in university examinations and producing a good number of exemplaries.

ARRIVAL OF THE NEW BUDS-BATCH 2018

College instituted orientation for incoming students and their parents, where they are exposed to informational and advising sessions. Orientation gives the students the opportunity to become comfortable with navigating the campus. College provides the incoming fresher's with information about different committees and clubs available on campus. The orientation offers parents a glimpse of the college that will play a defining role for the next three years. Learning about rules, campus safety and the academic calendar will also be of practical value to students and parents.

ORIENTATION-2018

RESULTS

Our students did well on the academic front. Ms. Vandana Rani.K brought laurels to the college by securing 10th rank in B.Sc-FAD May/June 2018 examination with 86.82% as announced in the 54TH Annual Convocation Final rank list of students, as per Dean's decision dated 14/11/2018.

VISIT TO CSTRI, BANGALORE.

In August 2018, a visit was organised to Central Silk Technological Research Institute, Bangalore. CSTRI is the only research institute in the country dedicated to the Research & Developmental activities related to silk technology. The visit to CSTRI was very beneficial as the textile engineers and the scientists conducted sessions related to silk manufacturing, pre and post-treatments, product development, which has helped the students to understand the subject better, through CSTRI laboratories, which were showing the live processes.
