Report on “Implementation of NEP 2020 – Opportunities and Challenges”.

Bangalore University First Grade College Principals’ Association [BUFGCPA] in association with VET First Grade College’s Internal Quality Assurance Cell [IQAC] presented One Day Webinar on “Implementation of NEP 2020 – Opportunities and Challenges”. This webinar was held on 23rd August 24, 2021 using virtual platform.

This webinar aimed at insightful deliberation and discussion on NEP 2020 which will be implemented first in Karnataka State. 515 participants registered and 450 attended for the same.

Asst. Prof. Rammya. B, IQAC Coordinator, VETFGC moderated the Webinar. At 2.30 p.m. students of VETFGC invoked the almighty indicating official inauguration of webinar, followed by welcome address by Dr. R. Parvathi, Principal & Academic Director VETFGC, President, BUFGCPA, former Syndicate member and Academic Council member who presented opening welcoming remarks for the webinar for virtual webinar. She cognizanted about the Bangalore University First Grade College Principals’ Association.

Dr. Anuradha, Principal, Al Ameen Institute of Management Studies, Joint Secretary, BUFGCPA, former Syndicate & Academic Council member introduced the resource person – Prof. B. Thimme Gowda, Vice Chairman, Karnataka State Higher Education Council, Former Vice Chancellor, Bangalore University, Karnataka State Rural Development & Panchayat Raj University, Formerly Professor & Chairman, Dean & Acting VC, Mangalore University.

Prof. B. Thimme Gowda started his speech by indicating prominence given to Karnataka State regarding NEP 2020 implementation first in Nation. He shared in-depth knowledge regarding the Government of India notification NEP-2020 conducted on July 29, 2020 based on Dr. Kasturirangan Committee’s Report. The objective of NEP-2020 is to bridge the gap between the current system of education and what is required in the 21st century. It is to have Holistic and Multidisciplinary UG Education to produce employable graduates with integrated personality. The Government of Karnataka had constituted a Task to suggest an Implementation Framework for NEP-2020. NEP-2020 also constituted two sub-committees, one on Curriculum Reforms in Higher Education and the other on Governance and Regulations. The Task Force has suggested NEP-2020 Implementation Framework for Karnataka. The State Government has accepted the action plan and taken steps to implement NEP-2020, as per the Implementation Roadmap suggested by the Task Force.

The Sub-committee on Curriculum Reforms in Higher Education had suggested a Draft Curriculum Framework for Undergraduate Programs in various disciplines indicating Teacher Centric to Learner Centric with inculcated critical thinking, intellectual learning, analytical problem solving, leadership & teamwork culture development, research and inquiry of information literacy, self-awareness, confidence, flexibility and creativity among students. The State Government had also constituted Faculty-wise Committees to consider this draft framework to formulate program structures in their faculties. These Committees have submitted their reports. The latter were considered in the meetings of all the Vice Chancellors.

The following Model Program Structures were designed for various Under Graduate Programs in Arts, Science, Commerce and Management. The Subject Committees constituted to design and draft the curriculum in their subjects have to follow these Model Program Structures. The Terminology used in these Program Structures are as: Discipline Core (DSC) refers to Core Papers in a Subject or Discipline; Discipline Elective (DSE) refers to Elective Papers in the core Subject or Discipline; Open Elective (OE) refers to Elective Papers in a non-core Subject across all disciplines.

Program Structures also contain Ability Enhancement Compulsory Courses (AECC), Languages, Skill Enhancement Courses (SEC) (Both skills and value based). Pedagogy involves L+T+P model. Generally, subjects with practicals involve L+P, while the subjects without practicals involve L+T model. The numbers in parentheses indicate credits allotted to various courses/papers as per definitions of Choice Based Credit System (CBCS). Generally, 1 hour of Lecture or 2 hours of practicals per week in a semester is assigned one credit. Generally, core subject theory papers will have 3 or 4 credits, while practicals are assigned 2 or 3 credits. In detailed different models were explained according to various Under Graduate Programs in Arts, Science, Commerce and Management. Exit options to the students were as follows:

- Exit option to students after two semesters or 1 year with Certificate in Commerce/Business Administration/Computer Applications etc. (48 credits),
- Exit option to students after four semesters or 2 years with Diploma in Commerce/Business Administration/ Computer Applications etc. (96 credits),
- Exit Option to students after six semesters or 3 years with Bachelor of Commerce/Bachelor of Business Administration/Bachelor of Computer Applications Degree (136 credits),
- Students after eight semesters or 4 years are awarded with Bachelor of Commerce/Bachelor of Business Administration/Bachelor of Computer Applications Honours Degree (176 credits),

- Students can change any other college / university after any of the even semesters or take a break in education re-join with the already earned credits,

He explained that candidates can opt for Ph. D after successive completion of eight semesters or 4 years with Bachelor of Commerce/Bachelor of Business Administration/Bachelor of Computer Applications Honours Degree (176 credits) or join Master's degree with two semesters only.

He explained further that candidates can opt for Master's degree with four semesters after successive completion of six semesters or 3 years with Bachelor of Commerce/Bachelor of Business Administration/Bachelor of Computer Applications Degree (136 credits).

Various model program structures for under graduate programs were explained in detail as follows:

FIRST SEMESTER

- 3 [Discipline Subject Core] DSC subjects with 4 credits each [4*3=12credits],
- 1 [Open elective] OE or [Discipline Elective] DSE with 3 credits,
- 2 [Ability Enhancement Compulsory Courses] AECC and Languages with (L+T+P =3+1+0) combination each with 3 Credits [2*3=6 credits],
- 1 Skill based subject, i.e., Digital Fluency with (L+T+P=1+0+2) combination with 2 credits,
- Total credits for First Semester are 23 credits.

SECOND SEMESTER

- 3 [Discipline Subject Core] DSC subjects with 4 credits each [4*3=12credits],
- 1 [Open elective] OE or [Discipline Elective] DSE with 3 credits,
- 2 [Ability Enhancement Compulsory Courses] AECC - Languages with (L+T+P =3+1+0) combination each with 3 Credits along with Environmental Studies with 2 credits [2*3=6 credits + 2 = totally 8 credits],
- 1 Value based subject, i.e., Health & Wellness / Social & Emotional Learning with (L+T+P=1+0+2) combination with 2 credits,
- Total credits for Second Semester are 25 credits.

At the end of I Year successful completion those students get a Certificate in that discipline with total 48 credits.

THIRD SEMESTER

- 3 [Discipline Subject Core] DSC subjects with 4 credits each [4*3=12credits],
- 1 [Open elective] OE or [Discipline Elective] DSE with 3 credits,
- 2 [Ability Enhancement Compulsory Courses] AECC - Languages with (L+T+P =3+1+0) combination each with 3 Credits [2*3=6 credits],
- 1 Skill based subject, i.e., Artificial Intelligence with (L+T+P=1+0+2) combination with 2 credits,
- Total credits for Third Semester are 23 credits.

FOURTH SEMESTER

- 3 [Discipline Subject Core] DSC subjects with 4 credits each [4*3=12credits],
- 1 [Open elective] OE or [Discipline Elective] DSE with 3 credits,
- 2 [Ability Enhancement Compulsory Courses] AECC - Languages with (L+T+P =3+1+0) combination each with 3 Credits along with Constitution of India with 2 credits [2*3=6 credits + 2 = totally 8 credits],
- 1 Value based subject, i.e., Sports / NSS / NCC / Others with (L+T+P=1+0+2) combination with 2 credits,
- Total credits for Fourth Semester are 25 credits.

At the end of II Year successful completion that student get a Diploma in that discipline with [48 of first year + 48 of second year] total 96 credits.

FIFTH SEMESTER

- 3 [Discipline Subject Core] DSC subjects with 4 credits each [4*3=12credits],
- 1 [Discipline Elective] DSE & Vocational with 3 credits each [3+3=6 credits],
- 1 Skill based subject, i.e., Cyber Security with (L+T+P=1+0+2) combination with 2 credits,
- 1 Value based subject, i.e., Ethics & Self Awareness with (L+T+P=1+0+2) combination with 3 credits [OPTIONAL],
- Total credits for Fifth Semester are 20 credits.

SIXTH SEMESTER

- 3 [Discipline Subject Core] DSC subjects with 4 credits each [4*3=12credits],
- 1 [Discipline Elective] DSE & Vocational with 3 credits each [3+3=6 credits],
- 1 Skill based subject, i.e., Professional Communication with 2 credits,
- Total credits for Fifth Semester are 20 credits.

At the end of III Year successful completion that student gets Degree in that disciplines with [48 of first year + 48 of second year + 40 of third year] TOTAL 136 CREDITS.

SEVENTH SEMESTER

- 3 [Discipline Subject Core] DSC subjects with 4 credits each [4+4+3=11credits],
- 1 [Discipline Elective] DSE, Vocational & Research Methodology with 3 credits each [3+3+3=9 credits],
- Total credits for Sixth Semester are 20 credits.

EIGHTH SEMESTER

- 3 [Discipline Subject Core] DSC subjects with 4 credits each [4+4+3=11credits],
- 1 [Discipline Elective] DSE, Vocational & Research Project with 3 credits each [3+3+3=9 credits],
- Total credits for Sixth Semester are 20 credits.
- *In lieu of the research Project, two additional elective papers/ Internship may be offered in the last semester.*

At the end of IV Year successful completion that student get Honours Degree in that discipline with [48 of first year + 48 of second year + 40 of third year + 40 of fourth year] TOTAL 176 CREDITS.

He indicated that NEP 2020 aims to transform curriculum from being Teacher Centric to Learner Centric by instilling critical thinking, intellectual learning, analytical problem solving, leadership & teamwork culture development,

information literacy research and inquiry, self-awareness, confidence, flexibility, and creativity among students. After this extravagant elucidation he opened the webinar's time for queries from the participants.

Dr. S. Harish, Principal, Vijaya Evening College moderated for queries - prominent questions were as follows:

- Q → What is the position of B. Voc (Bachelor of Vocational Education)?
- A→ There would not be B. Voc (Bachelor of Vocational Education) course separately as NEP 2020 has vocational skilled based curriculum inculcated.

- Q → What are Languages provided the NEP 2020 in Karnataka?
- A→ He explained that Kannada will be the First Language [for those who have not studied Kannada earlier will have to study Functional Kannada] which is Compulsory Language, He informed the student can opt for any other Indian language as their Second Language

- Q → What will be the position of evening colleges?
- A → He answered that as students are given open option of Exit Option, slowly evening colleges may exit.

Many more questions were asked but they were related to the above curriculum, which were answered with endurance by the resource person – Prof. B. Thimme Gowda.

Dr. Padmaja, Principal, MLA Degree College concluded the Webinar with Vote of Thanks - “*Acharya Devo Bhava*” and indicated by *one can succeed only by changing with the change.*

GST – One Day Workshop

Date : 22nd August 2022

Time : 10.30am -3.30pm

Venue : Room No 105

VET First Grade College organised a one day workshop on 22nd August 2022 for B.Com, BBA and M.Com students. The workshop was organised in association with TSMT Chartered Accountants firm referred by Dr Sameer Hariani. The resource person for the workshop were CA Priti Gutgutia, Kishan B CA finalist and Mohammed Elfhan CA finalist. The Director of the GST team of the firm CA Vijay Suhjani also graced the along with Dr R Parvathi and Mrs B Rammya from the institution.

The team started with GST basics – what is GST, why was it introduced, benefits, important terminology with respect to GST, GST revenue collections for Government and then went to show the students various returns that a GST registered firm should file. They practically opened the GST site and showed the students how returns are filed using excel facility. They taught the students the various returns – how it should be filed, when is the last date and who should file the same.

The various forms that were discussed are

- GSTR 1 – Return for outward supplies
- GSTR 2 – return for inward supplies
- GSTR 4 – Return for composite traders
- GSTR 5 – Return for non resident tax payable person
- GSTR 6 – Return for input service Distributors and other forms

The team also explained about the revised return that can be filed for any sales missed in the previous month and also regarding any corrections to be made.

The students actively participated in the workshop and gained very good practical knowledge from the session. The team also told that the return filing is one of the lucrative jobs for the graduated both Under Graduation and Post Graduation.

Report on one day webinar on business plan for start-ups

VET First grade college department of commerce and management , entrepreneurship development cell and IQAC organizes one day webinar on business plan for start-ups, In association with Rotaract club of VET on 9th June 2021 through online platform Microsoft teams which a link <https://teams.microsoft.com/l/meetup-join/19%3a5FpZKCSBhloTVRUjoYjMi4jCg3fH2DtPjD32bxjutHI1%40thread.tacv2/1622466762888?context=%7b%22Tid%22%3a%2246d8526e-a75f-4beb-9c68-e5a43352cb49%22%2c%22Oid%22%3a%22c4923fd3-46b8-4521-935a-8b616f38fe22%22%7d> for BBA students.

The program started with quote “Success usually comes to those who are too busy to be looking for it.” Followed welcome speech by Gowri hebbbar, HOD, department of commerce. Mr.Krupakar Co-Ordinator Rotaract club of VET spoke about the resource person, Mr.Punith raj about his success journey.

Dr.R.Parvathi,Principal and Academic director spoke about the how important entrepreneurship to our economic development of our country entrepreneurship is important, as it has the ability to improve standards of living and create wealth, not only for the entrepreneurs but also for related businesses, entrepreneurs also help drive change with innovation, where new and improved products enable new markets to be developed, too much entrepreneurship (i.e., high self-employment) can be detrimental to economic development

Mrs. Lokeshwari, Co-Ordinator BBA introduced the resource person for the session Punith Raj is the Founder CEO of Seminar room & EIPOC (Education and Industry Platform of Collaboration) an Ed-tech Start-ups which works as a liaison between Academics and Industry. At present EIPOC is offering their services to 20 different Colleges and Universities across Bangalore and targeting to reach more than 100 colleges-by mid of October 2021. Seminar room got Pre-Seed funding from PES University Venture Labs and will be going live from June 2021.In his recent tenure, he served as HOD and Mentor for Management Department at Jain University. He is in the Advisory board for Industry Interaction with the colleges like Arihant Group of Institutions, GTMT, SRSI etc. He is also a consultant to Start

Ups in Bangalore. He has got more than 12 years of Academic experience and 6 years of corporate experience working as a Market Analyst in J.P.Morgan Chase India and Cambridge Solutions, London. He is an analyst with experience in 'Futures and Options'. He has worked in England, Scotland and various places of Europe. He has several research papers to his credit and has won many best paper awards across National and International Conferences. He has given speeches in various forums and colleges. He has written popular articles in Newspaper and Magazines. He is pursuing his Ph.d., under the domain of Management at Jain University. He is interested in building young entrepreneurs for our country. State committee member, economic cell Karnataka BJP.

Mr. Punith Raj Started the session with his motivational words followed by few videos on the same. Also briefed on idea generation Ideas are the key to innovation, Without them, there isn't much to execute and because execution is the key to learning, new ideas are necessary for making any kind of improvement. It's obvious that ideas alone won't make innovation happen, as you need to be able to build a systematic process for managing those ideas. The point of ideation isn't just about generating tons of them but about paying attention to the quality of those as well. We agree that it can sometimes be difficult to come up with more of those high-quality ideas. It's not unusual to get stuck in our old habits and routines when we're supposed to be creating something new. He also showed a demo on business plan for start-ups like assumptions, salaries and also about revenue matrices.

At the end before vote of the feedback link was shared with the students to know the how useful the session was <https://forms.gle/6kDe73vLG3eh24yr5>, the session ended with vote of thanks by Mrs. Madhu. L assistant professor, department of management.

24/02/2022

REPORT ON CORPORATE ACCOUNTING WORKSHOP

VET FGC under the banner of vanijya milana and IQAC organized one day workshop on corporate accounting – company final accounts for second year B.com students as a part of their curriculum.

The workshop was to help students to understand better about the concepts of final Accounts of companies. Mr. Chintan raj M vernekar Assistant professor, Department of commerce introduced the Resource person formally, Dr. R K Sreekantha, Associate Professor and Principal, BVS Arts and Commerce college for women, vijaynagar, Bangalore to audience and handed over session to resource person.

Resource person started the session with help of PPT and explained about the basic concept of accounts and gave assignments to students and started explaining Joint stock companies are governed by Companies Act, 2013. Under section 128 of the Companies Act, 2013 the joint stock companies other than insurance, banking and electricity companies have a statutory obligation to prepare and present final accounts as per the prescribed forms and contents.

According to section 128, every company shall prepare and keep at its registered office financial statements for every financial year. Books of accounts must be maintained on accrual basis according to the double entry system of accounting.

According to section 129, the financial statements shall give a true and fair view of the state of affairs of the company. They shall comply with the accounting standards under section 133 and shall be in the prescribed form.

Company Final Accounts refer to the Accounts or Statements prepared by a company at the end of a particular accounting period to depict the profit or loss during the accounting period and financial position as at the ending date of that accounting period. They are called as Financial Statements and consists of Profit & Loss Statement, Balance Sheet, Cash Flow Statement and Statement of Retained Earnings. In addition, Notes to Financial Statements forms part of Financial Statements. In case of a joint stock company, the financial statements have to be prepared in accordance with the provisions of the Companies Act, 2013

He solved a full-fledged problem and cleared the doubts of students, overall it was interactive and learning session ended with vote of thanks by Mr. Chintan raj M Vernekar.

ENTREPRENEURSHIP – AN OVERVIEW.....BE A JOB CREATOR AND NOT A JOB SEEKER

Date: 03 Feb 2022

Time: 10.30 am -1.30 pm

Venue: VET Auditorium

The program was organised jointly by VET First Grade College and VET BVL Polytechnic in association with FKCCI. The title of the seminar was **ENTREPRENEURSHIP – AN OVERVIEW.....BE A JOB CREATOR AND NOT A JOB SEEKER.**

The program started with Mrs B Rammya introducing the Trust, the institution and the topic. Next Ms Sharvari of V Sem B.Com gave a divine start to the seminar. Mrs Gowri Hebbar, HOD of Commerce, welcomed the gathering and also introduced the resource person for the seminar – Dr Swapna and Prof Prasad Linganna from Ramaiah Institute of Management Studies.

Next Dr Manandi N Suresh, Honorary Secretary, Vasavi Educational Trust delivered the opening remark for the seminar and highlighted about the entrepreneurship and spoke in detail about the ten commandments of being a successful entrepreneur.

Next Mr Abishek Boggaram, Manthan Chairman and FKCCI President spoke about the Manthan initiative of the FKCCI which has been creating entrepreneurs for over 14 years. He spoke about the business plan competition and mentioned that this year, the competition has been extended to entire South India. He highlighted about the how a small idea could become a good business opportunity and motivated students to come out with any feasible idea and that FKCCI and industry experts would handhold the students in converting their idea into a scalable opportunity.

Next Mr Ankur Bhasin, Co Chairman Manthan initiative addressed the gathering by citing examples of small and emotional ideas that paved way for a entrepreneurial venture. He motivated the students by mentioning about the ideas of winners of previous years Manthan competition. He urged the students to register for the competition and reap the benefits of professional handholding by industry bests.

Next Dr Swapna and Prof. Prasad Linganna, the resource person for the seminar started their presentation. The entire presentation was divided into 3 aspects namely

- Introduction and Foundation of entrepreneurship
- Business Plan and its components
- Venture Capital and Capitalist

Under Introduction and Foundation of entrepreneurship, they spoke about meaning, definition of entrepreneurship, characteristics , examples and how entrepreneurship contributes to the economic growth and development. Dr Swapna and Prof Prasad substantiated the slides with real life examples of successful entrepreneurs and the hurdles the individuals have to overcome during the journey of entrepreneurship. They gave examples of Sachin Bansal and Binny Bansal of Flipkart and the likes of Narayanamurthi, Jeff Bezos, Steve Jobs and many more. Prof Linganna also shared the top 12 entrepreneurs as per Forbes list worldwide. Dr Swapna gave many real-life examples of ideas that went on to become great venture

Next the resource people spoke about Business Plan, why and what of it, importance of business plan and the components and the contents of business plan. Prof Linganna and Dr Swapna spoke about the successful idea of Dabbawallas of Mumbai and how they have achieved the 6 Sigma Certification and how their success story is taken up as a case study in Harvard Business School.

Then they discussed about the arrangement of funding for the enterprise. Dr Swapna spoke about the traditional and modern sources and explained it beautifully in the form of a role play where she played the role of entrepreneur and Prof Linganna played the role of venture capitalist. They also explained about the seed funding, angel investors, venture capitalist and next with IPO.

The seminar ended with concluding remark about entrepreneurship by Dr R Parvathi and she assured that students would be motivated to present their business plan for the MANTHAN competition. The entire program was moderated by Mrs . B Rammya.

One day NATIONAL WEBINAR

on

Empowerment through Wealth Creation.

VET First Grade College organised One Day National Webinar in Association with Association of Mutual Funds in India (AMFI) on “Empowerment through Wealth Creation”. This National webinar was held on 5th May 2022 using virtual platform. 986 participants registered for the same.

The webinar was hosted by Ms Shruti Khemshetty Assistant professor Department of Management, next invocation song by M.com Students, Welcome speech was delivered by Ms Rammya. B IQAC Coordinator further to this the webinar was inaugurated by Dr. R Parvathi Principal and Academic director. Further to this a brief introduction was given by Ms Shruti k of the resources person Shri Surya kant Sharma for the webinar

Shri Surya Kant Sharma, Senior Consultant AMFI, who was keynote speaker in the webinar at the outset touched upon the importance of financial security of individuals. He emphasized that an investor should first think and ensure adequate life insurance, reasonable health insurance (umbrella insurance cover or floater cover – not less than 25 lakhs for metro city and other places – 15 lakhs) cover and an emergency fund of an amount Rs 500000 before embarking upon the journey of wealth creation through sustained investments which is most essential for prosperity. He then made a vehement plea for regular savings and increase of savings every year minimum by 10%. He then dealt in detail on the need for wealth creation for prosperity and emphasised that investors should not be money accumulator but wealth creator which only would make them comfortable with regard to their money needs for their milestones in life.

He then advised participants that they should look at real return and not on notional return as inflation and tax liability substantially takes away major portion of notional return. He cautioned participants that most of the

investments except in governmental schemes have risk but risk can be managed by simple formula – **Think, understand and invest.** The first aspect on Think about what is my risk appetite which can be taken on basis of family income, social status and age factor further he divide the age group like

25 – 40yrs - which has to save maximum and put it in investment taking calculated risk

40 – 55yrs – take care of liquidity....

Beyond 55yrs – compromise on return but not compromise on the safety of funds.

The second aspect was on time horizon of investment

He also emphasized the need to have financial planning of their families in place for focused investment and also the need for practicing rule of compounding in investments for higher return in long run.

He then shared basic information on various investment avenues available in the market viz.

Government/RBI bonds,

Corporate bonds,

Government schemes (Post office schemes, PPF (deposit before 5th of every month), NPS, NSC KVP, NSS, RBI retail Central .

Securities market,

RBI BONDS,

Bharath Bonds 1 and Bharath Bond 2 etc.

Real estate and gold

All these avenues are different and have distinct features and investors should investment their hard earned money according to his/her risk appetite and time horizon of investment.

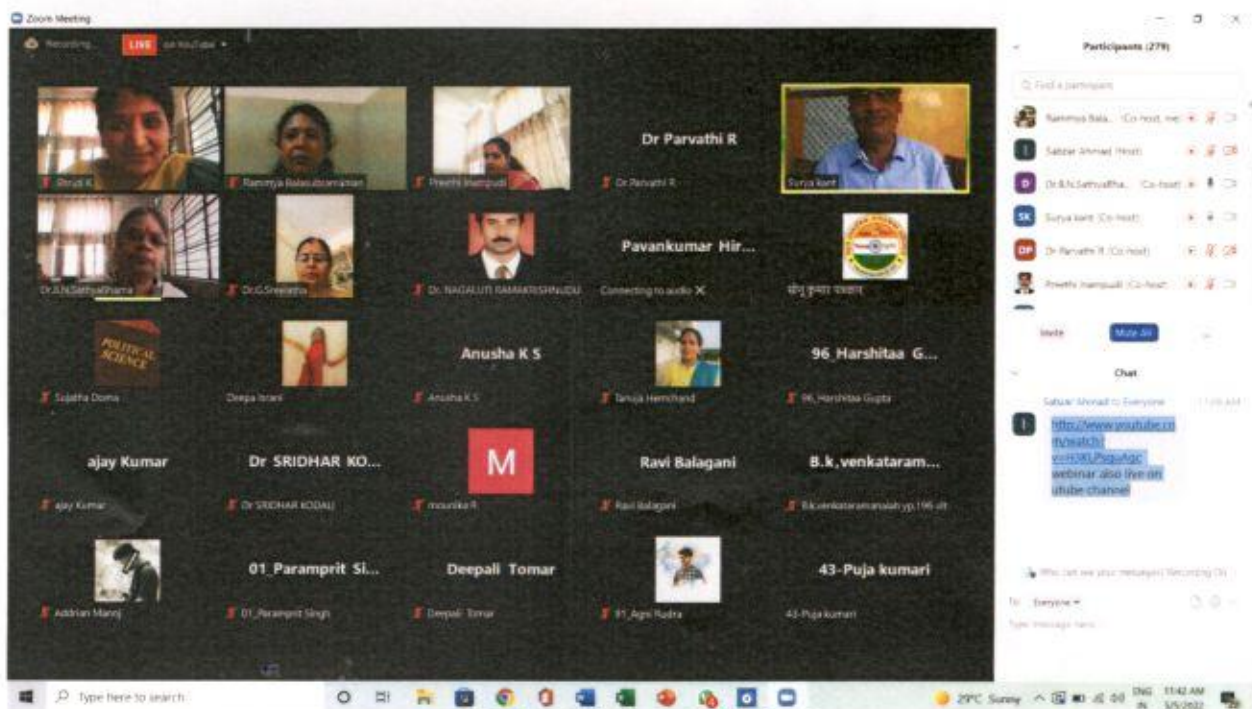

Shri Sharma cautioned general investor not to enter into securities market directly as there are inherent risks in the market and unless the investor have sound knowledge of market, sectors, economy, international economy etc. he should desist from entering into the market directly. Instead, mutual funds are the best option available for general investor wherein he/she can invest a minimum amount of Rs.500/- through Systematic Investment Plan (SIP) and built a good corpus over a period of time. He also mentioned that in mutual funds there are number of schemes as per risk appetite and time horizon of investors. There is a wide spectrum of mutual funds schemes ranging from

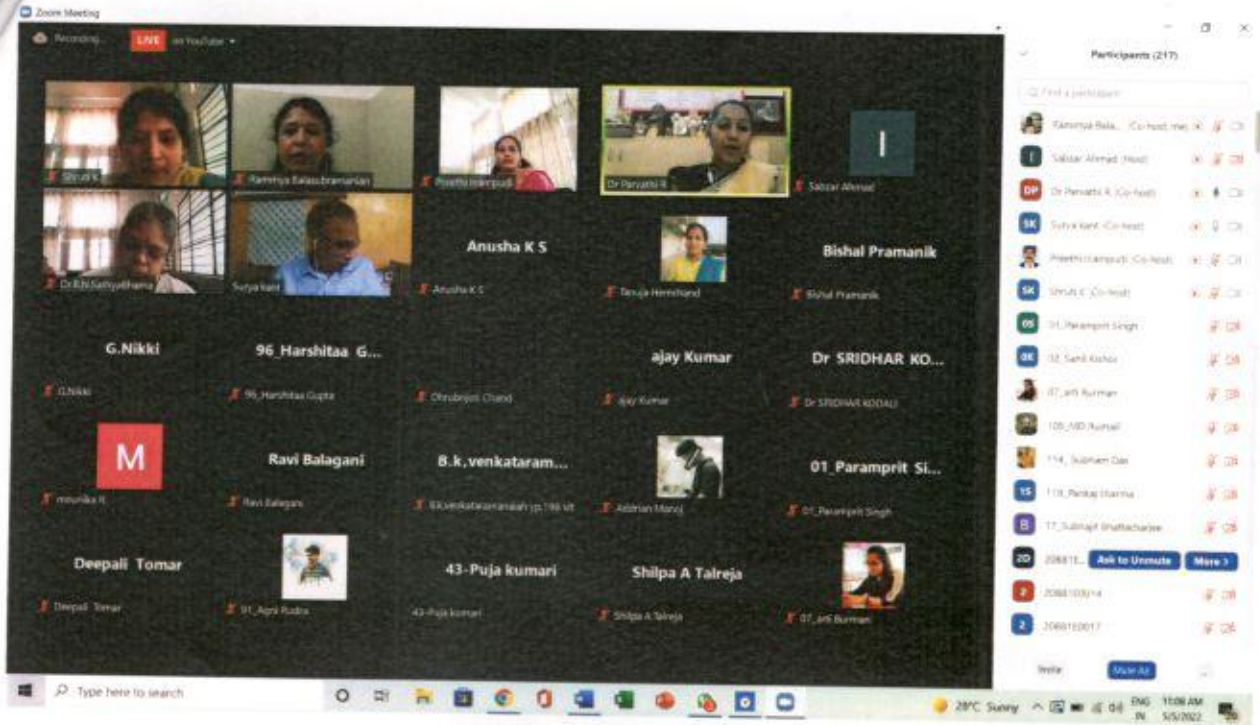

equity funds to debt funds to exchange traded funds which can be chosen by an investor as per his risk appetite and investment horizon.

At the end, he emphatically cautioned participants not to invest their hard earned money on the advice of others including agents and never never in unregulated fund mobilisation schemes – Ponzi scheme, chit funds and committees etc. - which give assurance for higher and quick return at the beginning but ultimately vanish with the hard earned money of investors. Not so affluent class of investors are more susceptible to such allurements and we all have a social responsibility to make them aware about the menace of such schemes and impress upon them not to invest their money in such schemes. He also informed that as per a survey, investors have lost more than ten lakh crores of rupees in such unregulated fund mobilisation schemes.

After the sessions, a question answer session was made open for the participants and participants asked lot of questions on personal finance which were satisfactorily answered by the experts.

At the end of the program Ms Preethi Inampudi gave vote of thanks.

Report

Dr. B. N. Sathya Bhama, Associate Professor, introduced and welcomed the resource person, Mr. Sharath Chandra B R, who is also a proud alumni of the college from the M. Com degree 2018-20 batch and has experience in the field of GST, for a one-day webinar on GST - ITC.

Mr. Sharath Chandra began the webinar by giving a quick overview of the GST and then explaining the Input Tax Credit. He used simple instances from everyday life to convey his point. He drew attention to recent modifications to the GST Act's requirements.

He stated that under ITC, the total output liability IGST will be adjusted first with the total input previous balance IGST, then any residual with CGST or SGST. He spoke on exempted and taxable supplies, ITC solely for commercial purposes, and composite registered suppliers in detail, with several real-life instances.

He emphasized the necessity of ITC knowledge in real-life scenarios for commerce candidates.

He emphasized the necessity of ITC knowledge in real-life scenarios for commerce graduates. Overall, it was a thought-provoking and dynamic webinar, with many real-life scenarios covered and expectations for future employees.

GST – One Day Workshop

Date : 22nd August 2022

Time : 10.30am -3.30pm

Venue : Room No 105

VET First Grade College organised a one day workshop on 22nd August 2022 for B.Com, BBA and M.Com students. The workshop was organised in association with TSMT Chartered Accountants firm referred by Dr Sameer Hariani. The resource person for the workshop were CA Priti Gutgutia, Kishan B CA finalist and Mohammed Elfhan CA finalist. The Director of the GST team of the firm CA Vijay Suhjani also graced the along with Dr R Parvathi and Mrs B Rammya from the institution.

The team started with GST basics – what is GST, why was it introduced, benefits, important terminology with respect to GST, GST revenue collections for Government and then went to show the students various returns that a GST registered firm should file. They practically opened the GST site and showed the students how returns are filed using excel facility. They taught the students the various returns – how it should be filed, when is the last date and who should file the same.

The various forms that were discussed are

- GSTR 1 – Return for outward supplies
- GSTR 2 – return for inward supplies
- GSTR 4 – Return for composite traders
- GSTR 5 – Return for non resident tax payable person
- GSTR 6 – Return for input service Distributors and other forms

The team also explained about the revised return that can be filed for any sales missed in the previous month and also regarding any corrections to be made.

The students actively participated in the workshop and gained very good practical knowledge from the session. The team also told that the return filing is one of the lucrative jobs for the graduated both Under Graduation and Post Graduation.

Adaptability and Resilience – How can you shield your career from
disruptive changes?

VET First Grade College conducted a webinar on Adaptability and Resilience – How can you shield your career from disruptive changes?, for IV ,VI Semester B.Com, .BBA,BCA and BSc.FAD students on 28/06/2021 through Microsoft Teams through link <https://teams.microsoft.com/l/meetup-join/19%3av1W2xGKHtnFDdo8ugYVcY8InCEftSUy6VU530DfX9wM1%40thread.tacv2/1624693394215?context=%7b%22Tid%22%3a%2246d8526e-a75f-4beb-5a43352cb49%22%2c%22Oid%22%3a%224746ec9c-4037-48ac-b991-f56ba359c122%22%7d>.

Mrs. Gowri Hebbar, Head of Department, Commerce welcomed resource person Professor Anand Srinivasan and other guests, and handed over the session to him.

He addressed the economic crisis what everyone are facing during pandemic And started explaining adaptability as the quality of being able to adjust to new conditions and resilience as the capacity to recover quickly from difficulties. He explained the word disruption as disturbance to career and gave some examples also.

He thought four ways to prepare for disruption and to overcome pandemic and mentioned that “if you want something you have never had, you must do something you have never done”.

Session was very interactive and interesting.

05.02.2022

REPORT ON
INDIAN STOCK MARKET – An Introduction

VET FGC has organized a session ‘Indian stock market - an Introduction’, under IQAC cell on 05.02.2022 at 10.30 am virtual platform Microsoft Teams for UG students.

The session was to help students to get introduced to stock market and learn about trading and get awareness about shares, stocks, bonds and commodities. The session began with welcome to Resource Person and Principal and Academic Director Dr. R Parvathi and speaker Mr. K G Krupal who is renowned columnist and stock market specialist. Principal expressed her gratitude towards the President of VET Institutions Sri B R Viswanath setty and the secretary of VET Institutions Dr. Manandi N Suresh for their consistent support for any developmental activities organised for the students.

The event further moderated by Mr. Chintan raj M Vernekar, Assistant Professor, Department of commerce. Mr. Chintan raj introduced the Resource person of the event Mr. K G Krupal.

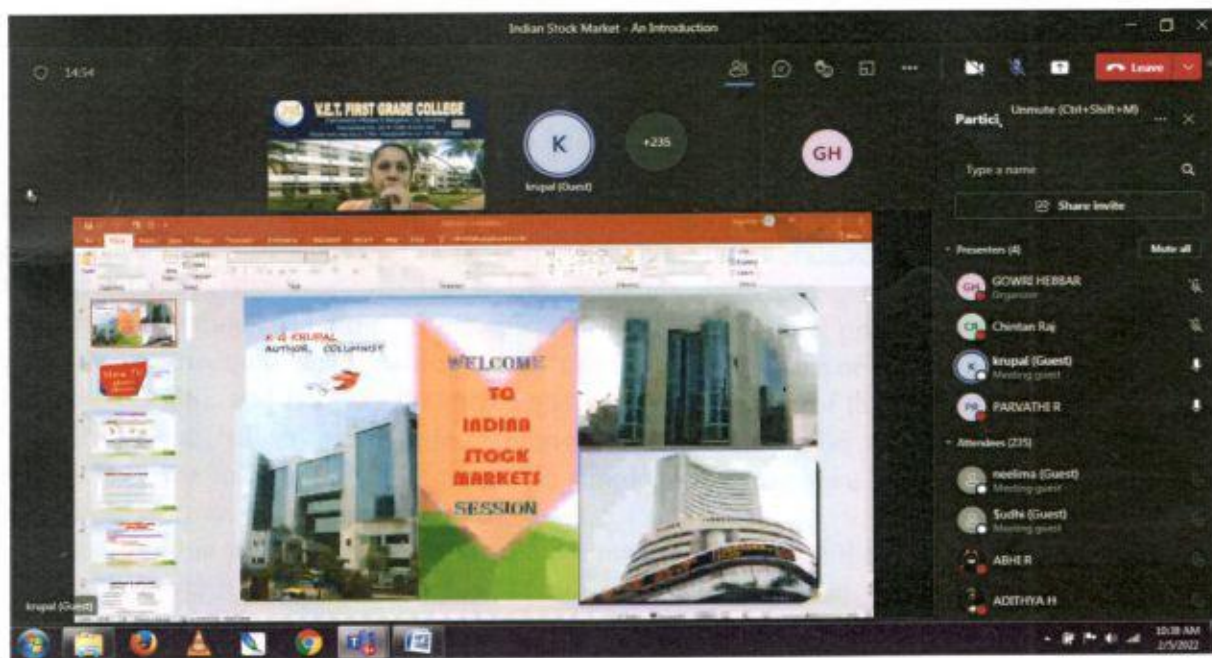

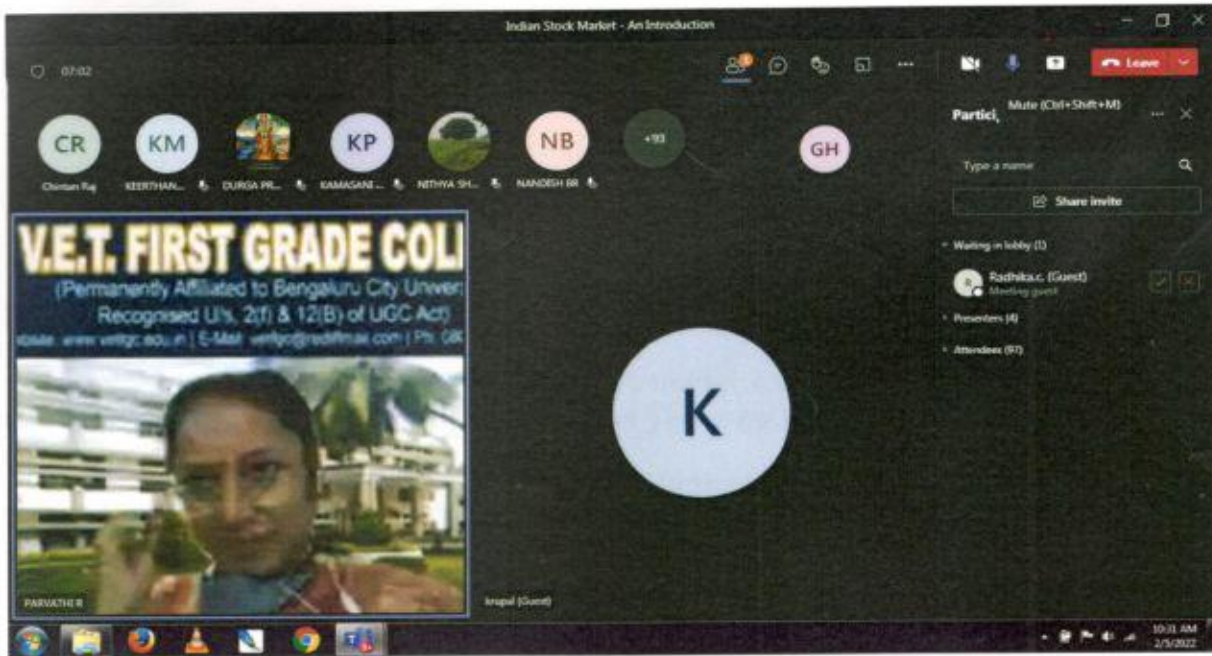

Resource person started with session with help of PPT he introduced about stock market and gave the importance of stocks in current market.

Stock market is a place where equity shares of companies are bought and sold by the participants (buyers and sellers of stocks). The participants can be investors and traders who seek profits over the short time or the long run. The investors mainly have a long-term horizon and benefit from capital appreciation over time. Traders, however, look for quick profits by focusing on the small price changes in equity shares which mostly last for a few minutes or the whole trading session.

In India, the BSE and NSE are the major platforms where most of the stock trading happens. Here, the buyers and sellers place orders through brokers who offer online trading services. The settlement cycle follows the T+2 formats. In simple terms, you have two days for the trade cycle to be completed from initiation to final settlement.

A mutual fund is an investment vehicle where many investors pool their money to earn returns on their capital over a period. This corpus of funds is managed by an investment professional known as a fund manager or portfolio manager. It is his/her job to invest the corpus in different securities such as bonds, stocks, gold and other assets and seek to provide potential returns. The gains (or losses) on the investment are shared collectively by the investors in proportion to their contribution to the fund.

Performing a research before making an investment is a must. It is only after a thorough research that you can make some assumptions into the value and future performance of an investment. Even if you are following stock trading tips, it ideal to do some research, just to ensure that you are making an investment that’s expected to get you maximum returns. Resource person clarified doubts asked by students. Session concluded with vote of thanks by Chintan raj asst. Professor dept of commerce.

V.E.T. FIRST GRADE COLLEGE

(Permanently Affiliated to Bengaluru City University,
Listed U/s 2(f) & 12(B) of UGC Act)

REPORT ON LATEST TRENDS IN TECHNOLOGY

V.E.T First Grade College conducted a special lecture on "latest trends in technologies" on 15th July 2022 at the auditorium for all the 2nd and final year BCA students. The resource person for the lecture was Mrs Hemalatha Kanala working as a project manager and she has been associated with IQVIA from past 9 years. She has been a student of V.E.T and the love and affection that she has towards the college leads her to take initiative to guide the young ones in her college, it's been a pleasure for the V.E.T to encourage such Alumni.

The main agenda of her lecture was to make students know about the key job opportunities in IT sectors, *latest trends in technology which one has to prepare to move ahead in their career and she also gave them a clear explanation on how to prepare the RESUME to fetch a good job opportunity in their hand.* She talked about each one of these by giving a clear idea on how to get a better job and what students should do to get an excellent career in their future after completing their education.

As per her experience the job opportunities in IT field are high for the freshers and the only thing that the students need to do is to get thorough knowledge on the technology which they have in the present curriculum to get an entry inside a company, once after getting a job they should not stick on for one particular technology or else the language which they are familiar with, always they need to update themselves the new technology to get a higher position in the company, company will only be looking for the one who are beneficial to their business with more knowledge on the trending technologies.

She also gave information about the new technology which is used by most of the software company and those who are looking for job, they must be very specific about the area which they want to get involved themselves in an organization, she spoke about the different job opportunity related to **Software Engineer**, in a company it can be web developer, database administrator, software developer, solution engineer, system developer, data analyst and many more, and one who is working in these fields can call themselves as a software engineer, she clearly said about the roles and responsibility which they need to follow once they get into the above field.

She briefed about the latest technology which is used by most of the company to complete their project, the technology which is named by her are, AI and Machine learning, IoT, Block chain technology, Cryptocurrency, Quantum computing, Cloud Services, Big Data and Analytics, Cyber Security, Full stack Developers, ETL Developers. She suggested students to learn this technology to have a great career in the future once they get into the job.

She gave some knowledge on currently used programming languages in the company, like, python, Python with .net, SQL etc, if one has to go for testing field in a company, they must

learn selenium and java for automation testing and she spoke about most of the languages used by company and she gave clear views on how the students should get ready for their job search till they get the good one.

At last, she said some important points which students have to include in their resume, so that they can get a good impression on the first move of their job search, and it was given as follows

- One should include their picture in the business attire.
- Should include their contact information
- Should give concise personal details
- Educational information, list of soft and hard skills and many more.

With this she also gave some links also to the students to learn about new technology which they can learn freely with paying any fee to anyone.

This session was very helpful for the students to get job in any one of the companies and lead their career successfully.

ONE DAY NATIONAL WEBINAR ON “PROJECT AND EMPLOYABILITY SKILLS”

“Project-based learning increases long-term retention, improves problem-solving and collaboration skills, and improves students’ attitudes towards learning.”

-Strobel,2009.

VET First Grade College organised One Day National Webinar on “**Project and Employability Skills**” . This National webinar was held on 22nd March 2022 using virtual platform. With a Global COVID-19 pandemic taking the world by storm and forcing people to work from home, webinars have seen a resurgence in popularity and usage across the globe by becoming a staple for educating students using tools like Whatsapp, Zoom, Cisco-WebEx, Google meet, Telegram, Microsoft team, Webinars and others, inspite of challenges with respect to network connectivity. This National webinar aims at insightful deliberation and discussion in the areas of research project work and employability skills making Postgraduation students ready for future demanding skills and stay alive. 223 participants registered for the same.

At 10:00a.m Ms.Preethi Inampudi, Asst.Professor, Department of Management welcomed Resource person for Session-1 Dr.T.G.Saji, Associate professor, Cochin University, Dr.R.Parvathi Principal & Academic Director, VET First Grade College, all participants for the national webinar.

Ms.Vidya, Ms.Vidyasree, Ms.Sruthi. invoked the webinar with a prayer song seeking the blessings of Divine spirit for the success.

Ms.Preethi Inampudi, Asst.Professor explained about the nature of this webinar on "Project and Employability Skills"

Research is the next fundamental step in a P.G students education. It is the point where the student stops being told what they need to know and move to the next level by seeking their own answer.

Employability skills are another hand of learning process where in student is going to make himself ready for the employment.

As next step of Postgraduation for many students is Employment this National webinar mainly concentrates on P.G. students who are ready to do project and get placement.

Ms.Preethi Inampudi, Asst.Professor introduced the Patron of this webinar, Principal & Director, Dr.R.Parvathi and asked to start the webinar with a good note.

At 10.10a.m welcome address by Dr. R. Parvathi, Academic Director & Principal VETFGC who cognizanted about the V.E.T First Grade College as one of the branches of Vāsavi Educational Trust, started in the year 1996 with strong vision, mission and objective of the founding members and focuses on the overall development of the students. She also informed that college is permanently affiliated

to Bengaluru City University, offering various Under-Graduation and Post-Graduation courses. College is listed under 2(f) and 12(B) of UGC Act and Accredited by NAAC with 'B+' Grade. College extends various skill development programs conducts curricular, co-curricular and intercollegiate activities. As a quality initiative, the college aims to conduct webinar on "**Project and Employability Skills**" using virtual platforms.

Session 1: Project/Research: 10:00 to 11:30a.m

At 10:15a.m. Ms.Rammya.B,IQAC Coordinator&M.Com Coordinator introduced the first speaker of the national webinar session-1 of the spoke on the topic "**Identifying Research Problem & Drafting Report**", Dr.T.G,Saji is a dynamic academician with 19 years of commendable experience in research.A certified Management Accountant holding three Masters and two research degrees in different fields of accounting and finance education.To his credit he has 65+publications in UGC referred journals and authored 5 books,15 chapters in various books.He participated, organized and conducted many workshops,FDP's.He is guiding 7 PH.D scholars out of which 2 submitted their thesis.

Dr.T.G.Saji explained clearly for all the participants how to select a topic for research ,how to identify the research problem,framing of objectives ,collection of data,using different tools to analyse the data ,providing findings,suggestions and conclusions in an orderly manner showing the format of chapterisation of drafting a report. He highlighted each and every chapter of research report firstly he explained about the need of research problem identification in a way it should be specific, clear and proper identification of target group of participants.He mentioned about review of literature, how to read articles , how to prepare a article effectively and clarified about framing of objectives like- To study about the particular existing problem in

an entity or enterprise, To analyse it through various methods after surveying on selected target participants then To report the findings and giving suggestions and finally research should be concluded. Then he focused on framing hypothesis ,data collection and analysing the data using relevant statistical tool which comes out with some findings making the researcher to suggest the solution for the problem from his perspective and finally researcher concludes the report.

At 11:30a.m the speaker finally summarized how to draft a project report effectively.

Session-2: Employability Skills: 11.30 to 1.00p.m

At 11.35a.m. Asso. Professor Dr.B.N. Sathya Bhama introduced the second speaker of the national webinar session-2 of the spoke on the topic “**Upskill to Upscale in life**”– Mr. Deepak Justin or DJ ,Founder-Inner Circle is a corporate trainer, International motivational speaker. He trained over 1,00,000 people and given over 1000 motivational talks to different audiences from all over the world.He has received a title ,”The Silver Tongued Orator”

With the rapidly changing and evolving industry trends, the need for a refreshed and re-equipped workforce that comprehends challenges of the fastidious market cannot be overruled. As India witnesses a booming entrepreneurial culture right now, with education taking a hike, ed-tech companies reaching new breakthroughs, upskilling has become a necessary prerequisite notion for the job seekers. Upskilling is that positive reinforcement that helps to preserve as well as promise a long term mutually beneficial association between the job seeker and provider.

He aimed to give students a chance to experience skills, industries and opportunities apart from the fields available to them under the curriculum. He motivated and made the participants more involved by narrating his own life experiences in acquiring Employability and Life skills. Through his story telling skills he made participants to identify their inherent skills moulding towards life in every concern.

Address Note by Dr.R.Parvathi,Principal VET First Grade College

Introduction of Speaker-1 by Ms.Rammya.B, IQAC & M.Com Coordinator

Session-1

Session-2

At 1.00 p.m. Ms.Preethi Inampudi delivered the concluding remarks of One day National Webinar and thanked all the dignitaries', resource persons, participants and organizers and finally concluded the National Webinar with Vote of Thanks.

124 participants including Academicians,Research scholars,P.G Students attended the webinar.

“NEP 2020-ROADMAP: INTRODUCTION TO IMPLEMENTATION”
Feedback Analysis Report for Academic year 2021-2022

“Education is the most powerful weapon which you can use to change the world.”

Nelson Mandela

One Day Webinar on “NEP 2020-ROADMAP: INTRODUCTION TO IMPLEMENTATION”. This webinar was held on 27th September, 2021 using virtual platform. This webinar aimed at insightful deliberation and discussion on NEP 2020 which will be implemented first in Karnataka State. Feedbacks were collected from 145 participants.

Was the program helpful?
145 responses

● Yes
● No

97.9% respondents indicated that the program / webinar was helpful and remaining 2.1% respondents indicated that the program / webinar was not helpful.

How do you rate the inputs provided by the resource person? (5 is the highest)

145 responses

50.3% of respondents (73 respondents) rated the inputs provided by the resource person with "5", 34.5% of respondents (50 respondents) rated the inputs provided by the resource person with "4", 9.7% of respondents (14 respondents) rated the inputs provided by the resource person with "3", 2.8% of respondents (4 respondents) rated the inputs provided by the resource person with "2" and 2.8% of respondents (4 respondents) rated the inputs provided by the resource person with "1".

Would you like to attend such sessions in future?

145 responses

91.7% of respondents want to attend such sessions in future and remaining 8.3% of respondents did not want to attend such sessions in future.

The following views were given by the respondents:

- Good
- Nice
- Nice
- The resource is very nice and it helpful for everyone
- Ok
- This session was really helpful to us as we got many information regarding our academic year.
- It was my best session in this program
- So helpful This meeting thanks for principal Pavitra madam and doctor Anita madam and thank for all teachers
- It's very useful but there is a lot of disturbance in between the session... Thank you
- The implementation was good
- Good knowledge
- The program is very nice and it helpful for everyone
- Good
- Interesting lecture
- The webinar was useful. I would like join such webinar in future.
- Yes, it's nice☐
- It is helpful for our future plans.
- Reject nep
- Speechless
- Useful information
- Thank you for your support
- Thank you, so much dear madam, for your wonderful sessions ☐☐☐☐☐☐
- It's good
- Very useful session
- The Webinar was so helpful
- Eager to know more about it
- Useful to future and learnt more things new
- Useful
- It was very useful and thank you mam
- It was very much helpful to understand the degree classes and procedure before getting into it
- Good explanation.....
- Good session, it's very helpful for us to know about our further studies.
- I like your way off explained
- Good
- Superb
- Noo
- Understood clearly
- its good sessions Thanks Mam for giving good information to me
- Webinar was useful
- Webinar helpful but had lot of network issues
- Liked
- Thanks a lot for this meeting it was really a very helpful section☐

- Thanks, you so much for this webinar. It was very helpful because I don't have any much idea about B.com and even B.com honor course. This webinar releases me how to get proper education to succeed my goal and get best jobs in future. Once again thanks to Parvathi mam and Dr. Anitha. HS mam. I loved it thanks again.
- Thanks a lot for this meeting it was very useful waiting to attend more sections
- It was very helpful
- It's truly amazing ...
- Very helpful for students
- It was good and help full
- ,
- It was useful to us
- It was a wonderful session. I had doubts about 4years education but from this session doubts are cleared. Thank you so much for conducting this webinar
- It will useful for my future
- I felt like more helpful
- It's very helpful
- It was good a program. it will help me
- Good well and knowledgeable seminar

- This session was very helpful for our further studies and it helped to get to know about the NEP in detail
- The session was really very helpful and I have really learnt more about national education policy and thank you so much for that
- So good actually it is very helpful for everyone so nice to listen
- It was really helpful
- So helpful thjs meeting thanks you for principal Pavitra madam and doctor Anita madam and thank you all teachers
- it helpful for me in b.com which subject are there and how to follow it today I learn
- It was useful to your future and thank you for the sharing information mam.
- It was helpful to us; I like to attend such session in future.
- The session was wonderful and peaceful to listen the madam that she has spoked. Can I get the pdf of BCA syllabus?
- Where good program
- NA
- Being a BSc. FAD student, attending BCom. Sessions are not at all related to the course i have chosen. So, I feel upcoming sessions must contain topics related to all the topics of all courses.
- The webinar was very good.
- It's a such a good experience☐
- Very good session
- I got so much information.
- It was nice I got some points of NEP (National Education Policy)
- All good. few times network issue of host is disappointed
- Today's webinar about NEP 2020 was very informative. I got to know about new reframed education policy.
- It was useful and good

- Useful information
- Thank you for such great information about NEP.
- The session was every useful
- Webinar was so helpful
- It was very useful
- Wonderfully speech grow more and teach more to students thank you
- It is very helpful session for further studies.
- Nothing
- It was a good session
- Fantastic
- Thank you, mam,

The overall conclusion after analysis of the feedback indicate that this webinar was a good webinar.

Report: One day workshop on “Neurobics”

One day workshop was conducted by Health and Wellness committee on 8th February 2022 at 10:30am in auditorium for first year students of BSc. FAD and BCA, first and second year students of BBA.

The topic Neurobics is activities of mental (cognitive) exercises that stimulate the brain, prevent memory loss, and improve memory recall. Just like aerobics is to the body neurobics is to the brain, why and how to balance both the brain and get outstanding mental and physical performance by using neurobics was learnt during the session.

The resource person was Mr. Ravinder Kalsi from Bangalore, 20yrs experience in conducting Skill Oriented Workshops on Mind Memory and Brain-gym also specializes on Graphology, meditation, self-development, public speaking, studying skills like speed reading and mind map along with juggling for schools colleges and corporates.

The resource people explained about types of intelligence which includes linguistics, logical, musical, intra and inter-personal intelligence in all human beings. He also thought exercises to activate both sides of the brain that is right and left and also taught how to activate the senses and told the students to be ambidextrous that is able to use the right and left hands equally well.

The session was well received by students as well as faculty members who expressed that they would like to have more such sessions on this topic and would follow everyday what was taught.

Total no of students attended: 100

Total no of teaching staffs: 7

Total no of non-teaching staffs: 4

“ORIENTATION PROGRAMME – KAP ENTERPRISE - 18.06.2022”

Report for Academic year 2022-2023

19.06.2022

The world has drastically altered, and a graduate degree is no longer considered unique. Most students take a variety of courses in order to rise above their peers and capture once-in-a-lifetime opportunities. V.E.T First Grade College organized “Orientation Programme on BPO Business Service” on 18th June 2022 in association with KAP Enterprise. The prominent intension of the session is to make the students understand what is BPO, how actually BPO organizations’ work and the functions of such companies.

The programme began with Dr. Sathya Bhama, Placement Officer introducing the resource persons to gathering and conveyed the purpose of the session by KAP Enterprise and handed over to Mr. Ananth Prasath, CEO of KAP Enterprise & Ms. Parveen Pinjar.

Mr. Ananth Prasath began the session by interacting with students to collect their opinion about BPO companies with the intension of changing the ignorance opinion of BPO companies of students. Then he emphasized upon how to be productive in a day and also shared knowledge about how to earn money in right way. He took **Ratan Tata** as an example to earn money in right way by explaining their product line from “Salt to Software” apart from liquor and tobacco businesses, this is how Tata company is achieving profits in right path. The second example was ‘**Dr. A.P.J Abdul Kalam** who was renowned for simplicity, his achievements were discussed as role model for youngsters.

In addition, he had an interactive session with students to collect their opinion regarding what kind of pleasure money gives and what are the different ways to earn money. There after importance of money were discussed and from money numerous kinds of pleasure to earn, that it is also necessary to cultivate skills to earn money and it is also discussed how to improve skills to have a better career in future.

Furthermore, he stressed on BPO company’s functions and how easily money can be earned with required skills in such companies, explained with an example like how to earn 10,000 within 2 hours. Later on, he introduced the KAP Enterprise and explained about their functions, and about their clients like Amazon, Flip cart, and others. He explained the methods how they are serving their customers by outsourcing their work.

In conclusion there was a doubt clarification session about the BPO sector and he emphasized on there are many vacancies in their enterprise who are interested to work with their company either for part time or full, time job. Students can “Earn to Learn (study – college fees)”. He briefed about the interview process while hiring the candidates and he stressed upon that KAP

Company is very nearby to college, walkable distance from college.

At last, some of our college final year and second year students are already working in their company as part timer. Those students shared their opinion about their experience and their role, working environment in that company. Few to name were Mr. Prithvi from final year B. Com, Ms. Swathi and Mr. Aditya from second year B.com shared their experience about KAP enterprise.

After thanking them Ms. Parveen briefed out her experience in the company who is having a good position in organization and she informed students to give their names who are all interested in joining their enterprise after the session. To conclude with the session was so interesting, interactive and very useful for those who want to start earning the money.

Report on Webinar EMPLOYABILITY SKILLS FOR THE 21ST CENTURY

VET First Grade College conducted a webinar on EMPLOYABILITY SKILLS FOR THE 21ST CENTURY for VI Semester B.Com, BBA, BCA and BSc.FAD students on 01/02/2022 at 10:30am through Microsoft Teams. Link is:

https://teams.microsoft.com/l/meetup-join/19%3ameeting_NDNhYmEyZTktZWU5MC00MDM2LWE1NDEtOTg0NmRiZTBhMTgx%40thread.v2/0?context=%7b%22Tid%22%3a%2246d8526e-a75f-4beb-9c68-e5a43352cb49%22%2c%22Oid%22%3a%22558fcc51-4ce1-4fbf-90ef-25edcf7b4ed7%22%7d

Today, the job market is more competitive in an altogether different sense. Along with the subject matter expertise, employers are now looking for employability skills as essential traits in their potential employees. This is an attempt to up skill the students to meet the demands of today's job market.

The session started with the welcome address and introduction of resource person by Mrs. Shamimunnisabi, Assistant Professor, Department of BCA. Dr. R Parvathi, Principal and Academic director spoke about the resource person.

Today's resource person Dr.Bhargavi V.R, Professor and Director, Postgraduate Department of Commerce, Sheshadripuram College, Sheshadripuram, Bengaluru-560020. She is an academician with over 15 years of experience in the field of Higher Education. She has 11 certifications ranging from Innovation and Productivity from U.K to Business Analytics and French. Dr. Bhargavi V. R has presented more than 31 papers in International Conferences and 20 papers in National Level Conferences. She has 14 paper publications and she has authored 13 books. She is the recipient of the prestigious Fellow of the World Academy of Productivity Science, Canada.

Dr. Bhargavi V.R started the session with the introduction to Employability skills, Importance of Employability skills, and the need of Employers from their Employees.

We are at the Industrial Revolution 4.0, which brings lot of new expectations in emerging technology and skill sets required are completely different. Our education and experience may get a job, but to be successful in our roles, we need soft skills. The difference between the hardskills and softskills is, the knowledge related to the subject and the job is hardskills, anything not related to the subject is softskills. The different soft skills are Learning, Ethics, Teamwork, Time management, Optimism, Curiosity, Tenacity, Flexibility, Integrity, Generosity, Humility, Empathy, Followership, Patience, Kindness, Forgiveness, Drive, Awe, Joy and Happiness. These softskills are referred as Power skills. These power skills are important. Employers usually see that we already have these softskills before hiring, because these cannot be trained and these are necessary for a productions and smoothly functioning workforce.

She explained about the mindset for life, which included Japanese way of life -

i)Ikigai - Identifying passion ii)Wabi-Sabi - Admiring Imperfection iii)Kaizen - Continuous improvement iv)Gaman - Patience, Perseverance and Tolerance v)Mottainai - Everything deserves Respect and Gratitude.

She concluded by saying "never compare yourself to others, know yourself and do what you should do".

The session ended with the Vote of Thanks by Mrs.Shamimunnisabi, Assistant Professor, Department of BCA.

VET FIRST GRADE COLLEGE

J.P.NAGAR, B'LORE-78

DEPARTMENT OF B.Sc-FAD

Report on "Orientation Program for Associate Quality Professional Training Program"

Date: 15/07/2021

Time: 4.00-5.00 p.m.

Mode: MS Teams

RSJ Inspection Service Limited which is a recipient of GOLD+ recognition in CII EXIM Bank Award program 2020 conducted an orientation session for FAD students on Associate Quality Professional- Training Program.

RSJ is one of the leading companies in third party inspection. It is providing quality control inspection, lab testing management and factory audits for customers from across the world (USA, UK, GERMANY, FRANCE, INDIA, HONKONG, CHINA, AUSTRALIA, Etc). This program was organised for final year and second year students.

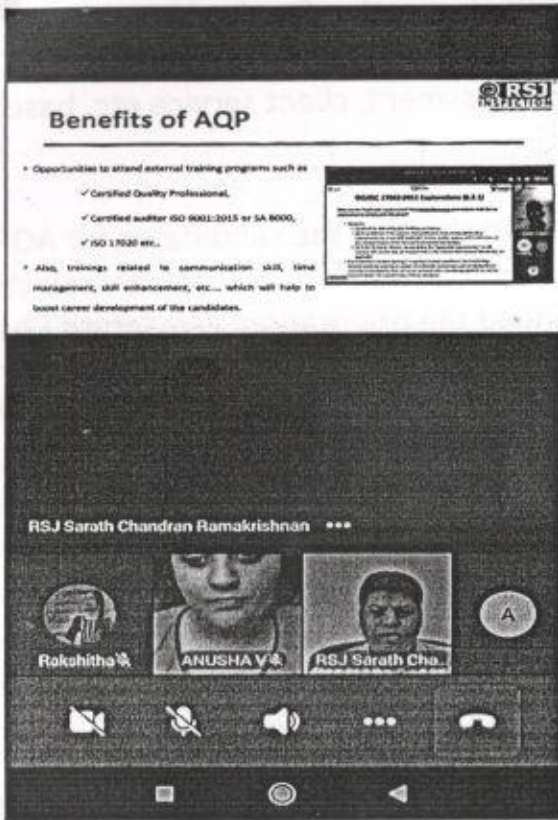

The Associate Quality professional training Program enables the graduates to find the best possible places in industry, enhance their communication and problem solving skills. Students will be trained with programs such as certified quality professional, certified auditor ISO 9001-2015, SA 8000, ISO 17020.

The program is divided into three levels. Level 1- General Awareness - Quality/Management System which is a period of 8 weeks (50-60 hrs).
Level 2- Quality Auditor-General for a period of 8-1 weeks (80-100 hrs).
Level 3- Quality Engineer- Training (Textiles & Apparels) for a period of 8-12 weeks (600hrs). A candidate who successfully completes Level- 3 of this program

will be considered for fulltime job in RSJ Inspection Service Limited. Initially the job offer will be as Quality Engineer and in later years, candidates may be moved into other departments like audit or assessment, client service etc. based on the company need and requirements.

This orientation was organised mainly to shortlist the candidates for AQP Training Program. Shortlisted students will be interviewed and accordingly selected for the program. A total of 40 students attended the orientation. Mr. Sarath Chandran, Executive Director, RSJ Inspection Service Limited gave a detailed insight of the program along with his team which comprised of Mr. Sudarshan Mane, Regional Manager, South, Mr. Manoj Kumar and Miss Indira Priya training Professionals. The session went on for an hour on 15th July 2021 from 4.00-5.00 pm in Microsoft teams. The interested students were asked to fill the forms through the link forwarded to them. Once application received, groups will be created on "Line App ". The course is tentatively scheduled from second week of August and is free of cost; however students wanting certifications shall be registered and offered a certificate on successful completion of the course.

Report On Up skill To Win-Roadmap To Success

A workshop on Up Skill To Win- Roadmap To Success was organized on 17/06/2022, in Room No 105 for Final year B.Com And BBA students. The Resource person for the Session was Dr. Sameer Hariyani, CEO of TSMT Academy.

The session began with welcome note by Mrs. Gowri Hebbar, HOD, Commerce. She introduced him to the students and handed over the session to Dr. Sameer Hariyani.

He is Dentist by profession. He started the session with quote on time punctuality. Being the CEO of an education centre he threw light on career aspects and opportunities available for students. He stated that up skilling does not only help students to explore better but it also makes students to confident enough to face the challenges in the society.

He directed students to focus on :

- Setup long term goal
- Reflect on hobbies and extracurricular activities
- Note down likes and dislikes
- Building strength
- Improving weakness
- Analyzing current job market
- Look beyond the degree

Overall, it was an excellent session by an eminent speaker. Students were able to follow his instructions and very happy about the section.

No of students attended: 50

Timings: 11.30 to 12.30

No of teaching faculty attended: 02

No of non teaching faculty : 02

ORIENTATION ON SIX SIGMA PROGRAM BY INNOVATE 'N' CREATE

Date: 12-07-2022

Time: 2.00-3.00pm

An orientation programme was conducted for 4th semester B.Com and BBA students by Innovate 'n' create company, resource person for the same was Mr. Praveen Kumar Tripathi who is a six sigma trainer.

Resource person was welcomed and introduced to students by Pragathi Prakash, Assistant Professor, Dept. of commerce and management.

Mr. Praveen gave the insights about the current job market, importance of being updated with the current technology, importance of how 'idea matters, not product', the current payments scale which are followed by the company.

Six sigma is the concept that predicts the market trend and the companies can actually know their potency to enter a particular market. He said that the change in market is a common phenomenon of today. With six sigma concept, one can predict those changes and implement the strategies to improvise the product or services according to the changing trends.

The scope of the field, the advantages of taking-up the course, expected job roles etc., was also highlighted by the resource person. Among the students present, 40 of them were interested and listed their names.

REPORT

ON

“ORIENTATION PROGRAMME –FINANCIAL PLANNING STOCKBYTE”

On **11.08.2022**, Department of Commerce & Management-VETFGC organized Orientation Programme on “**Financial Planning & STOCKBYTE app**” to create awareness for all II & IVSem B.Com & BBA students about investing in stock markets and making use of STOCKBYTE app in gaining knowledge by doing certificate courses with free of cost and be industry ready.

The world has drastically altered, and a graduate degree is no longer considered unique. Most students take a variety of courses in order to rise above their peers and capture once-in-a-lifetime opportunities. The programme began with Ms Rammya, IQAC Coordinator introducing the resource person Mrs. Victoria Dsuza for the gathering by conveying the purpose of the session and handed over the session to the resource person. The prominent intension of the session is to make the students understand how to invest in stock markets and understand the importance of financial planning both in personal as well as professional front.

The session started at 10.30a.m in the auditorium. Mrs. Victoria Dsuza began the session by interacting with students to collect their opinion about the importance of money after degree and she also shared her own experience in getting a good career by investing in stock markets such as equity and mutual funds and she insisted

students to get into advanced excel course majorly for financial based job in their career not taking only a degree as an entry point in the companies.

She focused on the job requirements for the students namely good academic score, communication skills, technical skills and sound knowledge about happenings all over the world.

She next focused on investment planning and the requirements for it. She asked students to open DEMAT-Account and she highlighted about the importance of technical analysis and fundamental analysis in the process of investment and mentioned technical analysis as heart of stock market. She made the students to understand the importance of investment and highlighted the benefits of investment in the unpredictable future. She made the students to dream big and directed a way to reach it by self-earning through self investment. She suggested two best ways of investment as SIP(Systematic Investment Planning) and Mutual Funds as banks are also reducing interest rates on fixed deposits. But to invest in stocks students should have good knowledge about the market risk for which they need to learn how to do technical and fundamental analysis of stocks. Students should be capable of analysing the momentum and volatility of stocks in market. In this perspective she highlighted her companies app "STOCKBYTE" in which students can earn knowledge of whatever specialization they are interested in finance like Derivatives, Risk Management, Stock Trading, Commodity Market, Business Analytics, Financial Analytics, SIP investment, Candle Sticks approach and Mutual funds etc., with free of cost and can attend a test after every course to get certificate which will be a unique skill to enhance your resume in fetching a better job. The app also provides free live market trading sessions every Tuesday and Friday with live recordings available all the time from 6:30p.m to 7:30p.m.

To associate with Stock Market Institute, Bengaluru VETFGC signed an MOU for three years to help the students in the field of stock markets.

To conclude with, the session was so interesting, interactive and very useful for the students who want to have luxurious career by enhancing their skills in bright way.

To end up the session Ms Preethi Inampudi, Asst professor, Dept of Management delivered vote of thanks to the resource person.

No of Students participated: 263

No of Teaching staff: 07
