

Dear Principal,

Greetings from **WIZTOONZ ACADEMY OF MEDIA AND DESIGN.**

7/2/18
Final Bcom A & B
BCA

We, WIZTOONZ Academy of Media and Design are into extensive training of Multimedia, Design, Animation, Film & VFX programs for students since 2007 at Bangalore. We have trained 3000+ students and holds a very successful placement record for all our students since 2011.

10:30 - 11:30

We have noticed lot of students, being unable to decide a right career program, ending up either dropping out of many programs in-between or finding it difficult to get a job in the same stream.

22/1/18

So WIZTOONZ ACADEMY has taken the initiative of guiding students and parents on how to choose the right program through a seminar on **Offbeat Careers**. It is also a platform where the students and parents will be able to interact with us and know more about the streams and programs available other than the standard education.

18

In view of this, we would like to request your college to allow us to conduct this seminar at your campus.

Seminar Details:

Topic: Offbeat Careers

Who can attend: Students (Preferably final year), parents and training lecturers

Duration: 45Mins to 1hr

Requirements: Projector, Mic and Speakers.

Objective of this seminar: To educate your students on, how successful they can be if right career choices are made.

Hoping for a favorable response in this regard.

Thanking you,

Regards,

V. RAMESH
