Alumni Testimonial

Back to Alma mater.....

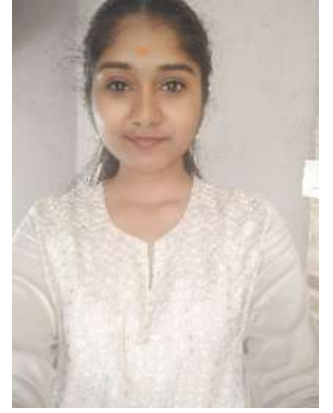

It would be difficult to sum up 2 years of VETFGC in just few lines. I must say that learning and exposure is sensational. The faculties are too supportive specially our Principal Dr. Parvathi mam, our Coordinator Dr. Ramya mam and our class teacher Dr. Preethi mam.

Apart from curriculum, the best part of college is that they gave us internship opportunities, national level paper presentation opportunities and so on. Every lecturers motivated us to do something beyond these books in life, especially our sweetest teachers who stood with us in every step.

Memorable thing was the time spent with my class mates mainly those ppt seminars, building models, group dance, sports, silly fights and many hands in single lunch box haa! Nostalgic.

I feel VETFGC is the wholesome basket that is shaping a good education for all students for overall skill development.

I'm glad to be a part of it.
